

**YOUR VISION  
OUR MISSION**

GLENDALE CAMPUS

**Welcome to Glendale Studios.  
The latest addition to the East  
End Studios portfolio.**

---

Minutes from Hollywood, just off Los Feliz Boulevard, Glendale is our first purpose-built Class A studio campus — setting the new standard for premium television and film production. Two 39'-clear stages totaling 36,054 SF are paired with Class-A production offices, mill, storage, and abundant parking. Each stage connects directly to basecamp, with adjacent hair, makeup, wardrobe, and talent holding areas. Features include advanced soundproofing, integrated smart grid analog-style control systems, and ample power distribution. A rooftop terrace with camlock and convenience power offers a unique space for production or private events. From television and film to commercials, branded content, and XR/VR, Glendale delivers the flexibility, efficiency, and quality your production demands.

Submarket	Glendale
Total Size	97,000 SF
Height	5 Stories
No. of Stages	2
Stage Area	36,054 SF
Production/ Office/ Support	40,380 SF
Central Mill	10,535 SF
Rooftop Terrace	10,560 SF
Hosted Parking	110 Spaces
Overflow Lot	80 Spaces

Glendale features two stages totalling 36,054 SF, with adjacent support spaces for each stage. The stages are directly accessible to/from the basecamp and parking areas.

Adjacent support spaces include robust hair, makeup, wardrobe, and talent holding areas as well as plentiful parking, base camp and mill and storage. The stages are supported by Class-A production offices on the floors above. The stages feature state-of-the-art soundproofing, integrated smart grid analog style control systems and ample power distribution. See specifications for more details.

# STAGE SPECS

---

# TYPICAL TRUSS LOADING DIAGRAM

1. Max permissible truss load based on 20 psf.
2. Loading Scenarios are not to be loaded simultaneously, any deviation must be reviewed by a CA licensed engineer.
3. All loads greater than 800 lbs must be located at panel points.
4. In-plane bridles are limited to 45 degrees.
5. All out of plant bridles to be reviewed by CA licensed engineer.
6. Loads shown are static loads. If dynamic loads are anticipated the loading must be reviewed by a CA licensed engineer.

Glendale provides elegant and comprehensive office and production support spaces, and an expansive rooftop lounge, at an ideal ratio to support modern studio workflows. While connected to the stages, all areas may also be independently and directly accessed from Glendale Avenue through a modern and secure lobby.

Leasable Space	60,647 SF
Private Offices	22
Workstations	118
Conference Rooms	6
Kitchen Pantries with Break Rooms	4

# OFFICE / MILL / SUPPORT

---

## Square Feet:

- Office and Production Spaces~ 27,861 leasable SF
- Mill ~ 9,850 leasable SF
- Support Space ~ 12,519 leasable SF
- Rooftop Terrace ~ 10,417 leasable SF

- Backdrops

## PRODUCTION SUPPLIES / COMMS

East End Studios works with best-in-class providers to deliver all requisite equipment straight to the stage.

**East End Studios is a premier independent studio management and development company.  
Your vision is our mission.**

---

When complete, East End's studio portfolio will total over 1 million square feet across three (3) projects in Los Angeles and one (1) in Queens, New York. The four campuses, when fully developed, will house twenty-three (23) purpose built best-in-class stages with an approximately 1:1 ratio of appurtenant Class-A office/production/mill/support spaces. All of East End's campuses will be fully equipped to handle modern XR/VR workflows.

**Glendale Campus**  
**1233 S Glendale Ave**  
**Glendale, CA 91205**
